

2 June 2020

Guys, I have purchased the flags and am awaiting for the Association store to tell me to ship them to them. All our members that have wanted on or more have let me know and I have shipped them to them. We have sold over 1/10<sup>th</sup> of the purchase. Great.

I need to tell y'all that it is fun for me to work with and be associated with all of you. I have enjoyed my time with the Association first as the Secretary and now as the Assistant Treasurer. To set all straight. The trips I have taken to Europe for Association business, I have paid for all except the first two. After that, I pay all my way, thus, not costing the Association anything. I also have the Association on one of my credit cards, and send them thirty dollars a month. I encourage all to sign up and send ten or more dollars a month to the Association, not the Foundation. It is easy, just go to the web site, the eighth area on the left side is Association Donations. Click on that then on the Donate button. These will help the Association very much.

A Board of Directors meeting was held last Saturday. The magazine will undergo another change. All members will receive it on-line. If you want a physical copy, you will have to go to the web site and click to receive it physically. Otherwise, all will be on-line. The Spring and Summer issues of this year will be on-line. We are taking funds out of the money accounts we have to send out a raffle. Please when you get these, send in money with or without the tickets.

We as a chapter need to get together soon. Our President, Ed, is doing as well as can be expected, although he has a medical requirement 3 days per week. Anyone that is willing to work, please let us know and we will have stuff to do. Here in Oklahoma City, we are working on getting several activities to bolster the Chapter and get others involved.

Thank you for your time.

Tim Austin
