

Mary Fallin
Office of the Governor
State of Oklahoma

Dear Friends,

On behalf of the great state of Oklahoma, it is my distinct pleasure to welcome the 173rd Airborne Brigade Reunion members and their families to our capital city! Members of this honored and elite association are comprised of men and women who served with the 173rd Airborne Brigade (SEP) or the active duty 173d Airborne Brigade ("The Brigade") which is currently based in Vicenza, Italy.

The sacrifices you have made for our country are deeply appreciated. I salute you for your courage, dedication and patriotism. These character qualities are hallmarks of accomplishment and we acknowledge the positive contributions you continue to make to America's communities.

I send all my best to your members as they visit our state and wish you all great success for your reunion. I hope you take home wonderful memories!

Sincerely,

A handwritten signature in black ink that reads "Mary Fallin". The signature is written in a cursive, flowing style.
